

Grupo Espirita João Batista

For 25 years this institution has supported 200 families with monthly food baskets. They also offer evening meals to anyone hungry in the community as well as bathroom facilities. The food is served from Monday till Saturday at around 5:00 pm. On Saturday, they also take food to the prison.

In addition to the food, they help the unemployed, poor people, and people who are employed that have a difficult time meeting all of their financial obligations.
